HOW THESE RANKINGS WERE GENERATED

This ranking was determined using a number of factors including industry standing, public opinion of software, social media presence, and available software features relevant to the needs of a small business. This ranking should serve as a rough estimate of software suitability, and more in-depth analysis can be taken below or by using our ERP software comparison.

FIND & COMPARE ERP

Compare over 100 ERP software products

2 ERP software products selected

COMPARE NOW

Find & Compare ERP Software

Compare ERP software solutions instantly with our comprehensive ERP comparison engine. Simply tick the 'Compare' box beside each product you want to compare and click the 'Compare Now' button.

Showing filters

ORACLE NetSuite ERP Oracle + NetSuite

NETSUITE NetSuite ERP offers a comprehensive range of functionalities, including supply chain and inventory management, order, etc. [VIEW PROFILE](#)

ERP VENDOR SHORTLIST CHECKLIST

1

Research ERP employed by similar companies in your industry

6

Produce an RFI document and send to shortlisted vendors

2

Identify ERP solutions specific to your industry

7

Narrow shortlist based on RFI responses

3

Identify market leading solutions which offer some support in your industry

8

Compile requirements and business processes in an RFP document

4

Compile initial shortlist of vendors

9

Narrow shortlist based on RFP responses to produce final shortlist

5

Identify competitors of your shortlisted vendors and add these to your initial shortlist

ERP VENDOR SELECTION CHECKLIST

1 Define the scope for your ideal software demonstration

6 Assemble selection committee to review all RFQ responses

2 Build selection teams to attend software demo including user group members

7 Make final selection decision and proceed to contract negotiations

3 Book demonstrations with each vendor on your final shortlist

8 Agree terms of purchase and implementation with your chosen vendor

4 Seek at least two to three references from each prospective vendor

9 Deliver documentation including vendor commitments and contacts to the implementation team

5 Produce an RFQ document and send to all vendors that were demoed

WHY NOT CREATE YOUR OWN COMPARISON?

With our free comparison engine you can build your own side-by-side comparison of leading ERP solutions. Narrow down your shortlist using filters including:

- Software Features
- Industry
- Delivery Platform
