

AXIS ERP

EXTENDED PROFILE

OVERVIEW

Axis ERP is specifically designed for metals, wire and cable manufacturers, processors and service centres, ranging from large global corporations to small family owned businesses.

Axis ERP provides a configurable and customizable solution that is an out of the box range of applications to address the requirements of the metal industry.

Other databases, such as Oracle and Access/Excel and configure dashboards and financial reports. Axis ERP is available installed on premise or web based, plus it is multi-currency and multi-language and can be used alongside Aptean business intelligence, supply chain management and ecommerce modules.
