

ODOO ENTERPRISE

EXTENDED PROFILE

OVERVIEW

Odoo Enterprise is an enterprise software system that is installed at the user's premises. Operating with the same UI and infrastructure as Odoo Online, the key difference between the two software systems is that Odoo Enterprise is offered with all the Odoo business apps as standard.

Users of Odoo Enterprise can be expected to utilize a wide range of business apps, including; accounting, sales management, HR, inventory, manufacturing, e-commerce and more.

Pricing for Odoo Enterprise is different to the cloud hosted version (Odoo Online). With Enterprise, users will pay a yearly licence fee and a cost per user yearly fee.
