ERPFOCUS

SIX ERP

EXTENDED PROFILE

OVERVIEW

SIX ERP is a leading enterprise solution with transparent pricing and no hidden costs. Manage your full company with a single solution incl. Modules like CRM, HRM, Project Management, Warehousing, Sales Management, Invoicing, Accounting, and Payroll. What makes SIX ERP unique is the industry-leading speed, easy user interfaces, and a fast and efficient user experience.

Every module is fully integrated, so all data is centrally accessible and connected. The best is that SIX is fully scalable, used by SMBs and global corporations, and we build on transparency. There is one price, no hidden costs, unlimited modules, unlimited users, and unparalleled scalability.

You own the data, and we manage the servers, maintenance, and updates. Even if you have special requirements, you will not find a better ERP system that can be adapted and expanded to meet all of your specific needs — the right basis for your transformation and growth without the headaches of traditional ERP systems.
